THINGS TO REMEMBER WHEN ORDERING:

Please print or type all names and addresses to help avoid errors. If the gifts are going to an individual at a business address, please don't forget the company name and floor or suite number if applicable.

Fill in the "Ship to Other," one for each different shipping address. If you have more than one "Ship to Other address," please include extra orders on a separate sheet of paper using the same procedure.

We will personalize each gift shipment. Please be sure to fill in the "Greetings From" blank on the order form, and your gift shipment label will include a special greeting from you or your company.

Check your method of payment. If you are paying by credit card, the signature line must be signed by you or the charge will not be valid. Please fill in your complete account number and expiration date. If paying by check or money order, please make it payable to:
