

HELPING YOU SECURE THE BEST DEALS ON SEED

EARLY ORDER SEED LOANS

When seed suppliers offer early order discounts, you need to have the appropriate funding in place to make the deal. DFA Financing, provided by Agri-Max Financial Services, can open the door to significant savings with seed loans designed to meet your forage needs.

No matter where you're purchasing your seed, we can help you maximize your savings, while offering competitive financing rates with flexible terms. In addition, our lines of credit can be used throughout the year to help ensure your feed needs are met.

OUR SEED LOANS FEATURE:

- Simple loan application available online
- Quick approval for qualified borrowers
- Variable rates
- Flexible terms
- No prepayment penalties
- Easy milk check deduction payment plan
