

FINANCING YOUR SPRING NEEDS

As you prepare for spring planting, having extra funds on hand can help you negotiate the best price on crop inputs, equipment repairs and more. DFA Financing, provided by Agri-Max Financial Services, can help.

Our operating lines of credit provide the funds you need, when you need them most. Whether you plan on taking advantage of early-order discounts, purchasing programs or updating your equipment, our 12-month payback system allows you to spread your expenses over the entire year.

FINANCING LOAN FEATURES:

- Online loan application
- Quick approval for qualified borrowers*
*Additional credit information may be required
- Variable and fixed rates
- Convenient milk check deduction payment plan
