

FINANCING OPTIONS DESIGNED FOR YOUR EQUIPMENT NEEDS

EQUIPMENT FINANCING

When you need to replace equipment on the farm, DFA Financing, provided by Agri-Max Financial Services, can help. We offer competitive financing options to fit the needs of your operation.

This program can also work in partnership with DFA's exclusive Member Savings Network discounts on Caterpillar and AGCO equipment. No down payment is required when your discount equals 20% or more.

EQUIPMENT LOAN PROGRAM FEATURES:

- You may qualify for quick turn-around on an equipment loan less than \$250,000
- Terms available from one to seven years
- Flexible rates for qualified borrowers
- Downpayments ranging from 10-20%
- Some technology upgrades qualify for a 1% interest rate reduction
- Convenient monthly milk check deduction

Our representatives are available to discuss your equipment financing needs year-round.
