

IGNITE: USER INTERFACE

To help make your experience on the Ignite website as smooth as possible, here are a few quick hits to get you started.

① LOGIN | REGISTER

Start here when you get to the Ignite webpage. From here, you'll be prompted to set up your account or login after clicking this link.

② MAKE IT BETTER

On the Make it Better page, you'll be able to find challenges

③ MILK SPARK

Learn more about our creativity workshops, and sign up for your team to have a workshop of their own!

④ CONTACT

You can always send an email to innovation@dfamilk.com, but to make it even easier, you can send your questions directly through the Ignite website.
